

Jordan's Principle makes sure all First Nations children 0-18 can access the products, services and supports they need, when they need them. It can help with a wide range of health, social and educational needs.

Jordan's Principle is named in memory of Jordan River Anderson. He was a young boy from Norway House Cree Nation in Manitoba.

Jordan's principle could cover but is not limited to the following areas:

### **Health**

- mobility aids
- wheelchair ramps
- addiction services
- services from Elders
- mental health services
- specialized hearing aids
- traditional healing services
- services for children in care
- assessments and screenings
- transportation to appointments
- medical supplies and equipment
- long-term care for children with specialized needs
- therapeutic services for individuals or groups (speech therapy, physiotherapy, occupational therapy)

### **Social**

- social worker
- land-based activities
- personal support worker
- specialized summer camps
- respite care (individual or group)
- specialized programs based on cultural beliefs and practices

### **Education**

- school supplies
- tutoring services
- teaching assistants
- specialized school transportation
- psycho-educational assessments
- assistive technologies and electronics

Our local service coordinator who can support families who have questions about Jordan's Principle or would like to submit a request would like to submit an application under Jordan's Principle is April Kibbe, please include her information as the point of contact for accessing this service.
