JOB OPPORTUNITY

Medical Transportation Driver

Medical Transport Department

Temporary/Replacement

12 Joseph Swan Road, Kanesatake, Qc J0N 1E0

FIELD OF ACTIVITIES

Under the direct supervision of the Medical Transportation Coordinator, the Medical Transportation Driver is to drive clients to and from their designated medical service/appointment, while providing secure and punctual transportation.

A detailed job description is available upon request.

QUALIFICATIONS

- Must have a Secondary V or equivalent;
- Must have a valid Quebec driver's license, class 4B required;
- Must have a clean driving record with no permit suspension and provide a yearly detailed Société de l'Assurance Automobile du Québec (SAAQ) driving record;
- Must be flexible in your work schedule due to the nature of medical appointments and traffic;
- Must have the ability to navigate in and around the Montreal, St-Jerome, Laval, St-Eustache and surrounding areas;
- An understanding of the Mohawk culture is required;
- Must be able to work independently with minimal supervision;
- Must be able to respect confidentiality (an Oath of Confidentiality must be signed);
- Must be able to communicate and work in English and French. Kanienké'ha is considered an asset;
- First Aid/C.P.R. training is required (provided by the KHC Inc).
- Must be adequately protected against Covid-19, fully vaccinated (proof required).
